SAINT JOACHIM AND ST ANNE

July 26th is the feast day of St Joachim and St Anne, the parents of Mary and grandparents of Jesus. All grandparents want what is best for their grandchildren, and for Catholic grandparents, this often includes passing on the faith and keeping prayer in the heart of family life. The vital contribution of grandparents to the family, the Church and society has possibly never been as important as now, in a society with constantly changing social and moral values. For many grandparents, they may be the only witness to faith that the young see. Our parish will celebrate the unique vocation of grandparents on Sunday 28th July and invite grandparents to write the names of their grandchildren on paper provided in the foyer prior to Mass. These will then be taken to the altar as part of the offertory procession.

ST JOACHIM AND ST ANNE

This is the “feast of grandparents.” It reminds grandparents of their responsibility to establish a tone for generations to come. They must make the traditions live and offer them as a promise to little children. But this feast has a message for the younger generation as well. It reminds the young that older people’s wisdom not to be taken lightly or ignored.

Novena—Praying with Mary MacKillop—For John Pearce (Julie Palmer’s Uncle)
Please pray for nine consecutive days

Ever generous God, You inspired Mary MacKillop to live her life faithful to the Gospel of Jesus Christ and to be constant in bringing hope and encouragement to those who were disheartened, lonely or needy. With confidence in Your generous providence and joining with Saint Mary MacKillop we ask that You grant our request for healing for John Pearce who is suffering from pancreatic cancer.

We ask that our faith and hope be fired afresh by the Holy Spirit so that we too, like Mary MacKillop, may live with courage, trust and openness. Ever generous God hear our prayer.

We ask this through Jesus Christ. Amen

NEW GUIDELINES FOR THE CHURCHES RESPONSE TO ABUSE

The Church is developing new national policy guidelines to strengthen and standardise Church authorities’ responses to historical and contemporary concerns and allegations of abuse of children and vulnerable adults.

Arch Bishop Mark Coleridge, president of the Australian Catholic Bishops Conference, said the development of the guidelines is a critical step forward in the Church’s ongoing response to the recommendations of the Royal Commission into Institutional Responses to Child Sexual Abuse.
